

## Summary

A seasoned professional with diverse experience across multiple industries and regions. As President of Strain Investment Company LLC, I manage a portfolio spanning real estate, e-commerce, manufacturing, and more. My career highlights include driving operational efficiencies at Aramark, leading technical projects and achieving significant revenue growth at MI6 & Utah Gun Exchange, and gaining organizational skills as a US Army Paralegal Specialist. I am committed to leveraging my varied expertise to provide your company with a competitive edge.

## Professional Experience

### **President (2020 - Present)**

### **Strain Investment Company LLC**

As President, I oversee a diverse portfolio that includes both foreign and domestic subsidiary companies managing real estate development, renovations, construction management, property management, full-stack web development, e-commerce, manufacturing, and fulfillment.

### **Financial Reporting Analyst (2018 - 2020)**

### **Aramark**

At Aramark, I significantly improved operational efficiency by automating key processes, which resulted in an estimated \$3M in annual savings. I streamlined tasks across billing, collections, and analytics, enhancing overall departmental performance and reducing manual workloads. Received multiple awards, bonuses, and certificates of achievement.

### **Sr. Technical Administrator (2014 - 2018)**

### **MI6 LLC / Utah Gun Exchange**

During my time at MI6, I honed my skills in data analytics, software and web development, project management, and strategic financial planning. I managed a team of three, directly reported to the company's owners, and played a key role in achieving \$2M in monthly revenue from nutraceutical sales. Assisted in event planning, marketing, management and operations. Assisted with professional audio/video recording. Attended major political and professional events, and have been quoted in the news. Received significant bonuses.

### **E4 - Paralegal Specialist (2012 - 2016)**

### **US Army Reserves**

During my time in the military, I gained valuable experience in HR and organizational skills, contributing to my professional development. My position required Secret Security Clearance. Basic training provided a strong foundation in discipline and teamwork.
